SYROSS P. ALGABRE

Web Developer

Davao City, Davao Region 8000, Philippines

+639469479714 **algbresyross123@gmail.com**

PROFESSIONAL SUMMARY

Front-end Developer with 10+ years building modern, scalable, and responsive web applications and APIs using PHP (Laravel), React.js, Vue.js, TypeScript, JavaScript, and Tailwind CSS. Proven ability to translate business requirements into maintainable full-stack solutions, deliver production-ready user interfaces, and integrate front-end applications with robust RESTful backends. Strong focus on performance, scalability, code quality, and cross-browser/mobile optimization; experienced collaborating in remote and startup environments to drive product delivery.
